

Instructions

Use the My Buggy Buddy
Weights on the front of your

buggy to prevent it from tipping.

Wrap the two straps around the
front part of your buggy frame.

Pass through the metal loop and
pull back onto the velcro.

Can be used on any part of the
front of the buggy frame.

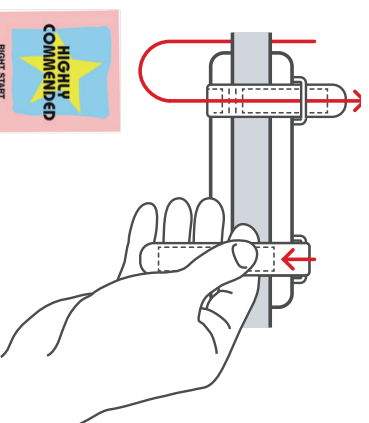

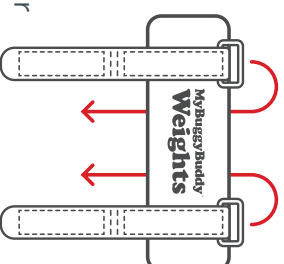

Unique design and velcro straps
fits most buggies.

My Buggy Buddy accepts no
responsibility for any injuries or
damage caused.

Do's & Don'ts

- This is not a toy - Keep away from children at all times.
- Please take care when using these buggy weights... your child's safety is your responsibility.
- These weights may prevent your buggy or pushchair tipping over.
- These weights will not stop the buggy tipping if overloaded.
- Always follow the instructions outlined by the buggy or pushchair manufacturers.
